

Product Information

1600 μ m double sided PE foam tape

Product Description

tesa[®] 62612 is a double sided PE foam tape which has been especially designed for window glazing applications. It consists of a conformable PE foam backing and a pure acrylic adhesive.

Product Features

- High ultimate adhesion level for a secure bonding performance
- Fully outdoor suitable: UV, water and ageing resistant
- Low initial tack allows easy removal of the tape right after application
- tesa® 62612 is certified according to the ift guideline VE-08/1.

Application Fields

Window glazing
